2007 — B.A. in Economics, *Summa cum Laude*, Pontifical Catholic University of Perú, Lima, Perú.

Research Interests

International Trade • Firm Dynamics • Development Economics

My research explores how barriers in labor and capital markets influence firms' production

and trade decisions, and how these factors influence economic growth and the impact of industrial and trade policies, particularly in developing and emerging economies.

Publications

(*Student co-author)

Peer-Reviewed Publications/Forthcoming/Accepted
